Washington, D. C. 20505

Dear Stan:

I was very pleased to see you confirmed as Director of the Central Intelligence Agency and wish to join your many firends in wishing you the best of luck in your new position. It's been a long time since we worked on Secretary McNamara's back-up books but I know from working with you then that you will do an excellent job.

If I can ever do anything for you down here please do not hesitate to give me a call.

Best personal regards.

Sincerely,
